

You're Invited!

Please join the Wild Fish Conservancy on Saturday, May 17th for the 17th Annual Wild Fish Soirée and Benefit Auction.

The Wild Fish Soirée is a great opportunity to support wild-fish conservation while bidding on extraordinary auction items and enjoying great food and refreshment. Swap fish tales with old friends, make new acquaintances, and visit with Wild Fish Conservancy staff and Board members.

All proceeds from the Benefit Auction go directly toward Wild Fish Conservancy's unique and effective science, education, and advocacy programs.

Help make the Wild Fish Soirée and Benefit Auction a success in 2008 by joining us for this lively evening of good friends, great food, vital conversation, and fun.

Sincerely,

Kurt Beardlee, Executive Director
